EXPLANATORY NOTE

This Amendment No. 1 amends and supplements the Tender Offer Statement on Schedule TO filed with the Securities and Exchange (the “SEC”) on January 22, 2019 (the “Schedule TO”), relating to an offer by iBio, Inc., a Delaware corporation (the “Company”), to exchange options to purchase shares of the Company’s common stock, par value \$0.001 per share, with exercise prices ranging from \$1.70 to \$30.70 per share held by employees and non-employee directors, for replacement options to purchase a lesser number of shares of common stock at a lower price to be granted under the 2018 Omnibus Equity Incentive Plan (the “2018 Plan”), on the terms and subject to the conditions set forth in the Offer to Exchange Certain Outstanding Options to Purchase Common Stock for a Number of Replacement Options Exercisable at a Lower Price, dated January 22, 2019 (the “Offer to Exchange”), and the related Terms of Election.

Pursuant to Rule 12b-15 under the Exchange Act of 1934, this Amendment No. 1 amends and restates only the items and exhibits to the Schedule TO that are being amended and restated, and unaffected items and exhibits are not included herein. Except as specifically provided in this Amendment No. 1, the information contained in the Schedule TO and exhibits filed therewith remains unchanged. This Amendment No. 1 should be read in conjunction with the Schedule TO and the exhibits filed therewith. All terms used herein have the same meaning as in the Offer to Exchange.

Item 4. Terms of the Transaction

Item 4 of the Schedule TO is hereby amended and supplemented by adding the following:

The Offer to Exchange expired at 5:00 p.m. Eastern Time on February 20, 2019 (the “Offer expiration date”). At that time, the Company cancelled all exchanged options and immediately thereafter granted the replacement options (as described below). We also refer to February 20, 2019 as the “replacement option grant date.” The results of the Option Exchange were as follows:

Number of Participants	% of Eligible Participants	Shares Subject to Eligible Options Exchanged	% of Total Shares Subject to Eligible Options Exchanged	Shares Subject to Replacement Options Granted
35	78%	1,233,750	94%	925,313

As described in the Offer to Exchange, the replacement options granted:

- have a per-share exercise price of \$0.93, the closing price per share of the Company’s common stock on the replacement option grant date;
 - have a five-year term beginning with the replacement option grant date and vest one year after the replacement option grant date;
 - are of the same type of options as the surrendered options. In other words, nonqualified stock options were exchanged for replacement options in the form of nonqualified stock options and incentive stock options were exchanged for replacement options in the form of incentive stock options; and
 - have the terms and are subject to the conditions as provided for in the 2018 Plan and option award agreement.
-

After due inquiry and to the best of my knowledge and belief, I certify that the information set forth in this statement is true, complete and correct.
